Sh. M.L. Sekhri
Vice President,
DAVCMC, New Delhi &
Chairman, LMC

In the last couple of years education deliverance underwent a tremendous change. Even though the teaching has acquired an online mode but we cannot negate the importance of institutes of higher learning. If simply cramming the curriculum could suffice the purpose then no one would strive to take admission in reputable colleges. The institutions do provide its students forum for innumerable opportunities to explore their hidden talent be it academic, artistic or sports related which otherwise lie dormant and unnoticed. Solidarity, cohesiveness, cultural values, empathy and social outreach are other qualities which creep in reflexively and become a permanent fixture of one's personality while participating in extracurricular activities, NSS and NCC. An educated and well groomed persona leaves an indwelling impression on others. A degree earned by putting in efforts would always get formidable openings.

Be true to yourself and do the best !!!

S.L. Bawa D.A.V. College, Batala, a prestigious institute of higher learning was founded in 1971, by D.A.V. College Trust and Management Society. The college imparts education to the rural and urban youth of this area. Under the dynamic leadership of Padamshri Dr. Punam Suri, President, DAVCMC, New Delhi, the college has grown into a grand banyan tree putting forth new leaves and branches and making all round progress. The college is being supported by the wisdom of the local managing committee comprised of eminent people of the town.

College runs the faculties of Commerce, Science, Computer Science and Humanities. It has a big, beautiful, well maintained and well equipped campus. Specially noteworthy are sprawling lawns, a big playground, an up to date library, a large spacious seminar hall and modern laboratories. The college has a digital language lab, Commerce lab equipped with audio-visual installation used as aid in modern language teaching.

The well qualified and dedicated staff makes earnest efforts to shape the personality of the students through a synthesis of the modern and the traditional system of education. Drawing inspiration from Swami Dayanand Saraswati, the teachers help the students to retain their cultural heritage while advancing towards modern education. Care is also taken that the students participate in sports and extra curricular activities so that they evolve into fit, confident and courageous citizens of the country.

The focus of all our activities in this college is the student since we believe that the real wealth of the nation lies in its human resources. The students are therefore, encouraged to use all the institutional facilities, both human and physical, in pursuing their education for the realisation of their own potential.

OUR VISION & MISSION

VISION :-

- ❖ To impart knowledge, skill and need based education to students and groom them to be conscientious, morally awakened and sensitive towards social and national responsibilities.

MISSION :-

- ❖ To muster strategies to become an epicenter of knowledge, culture, skills, technology and research.
- ❖ To provide conducive environment for educational development of stakeholders.
- ❖ To inculcate concern for environment and society by promoting extension outreach.
- ❖ To propagate and promote Indian tradition, culture and heritage through co-curricular/cultural activities and awareness-raising programmes.
- ❖ To instill sense of confidence among women and empower them for social standing and economic challenges.

- ★ Water Seeding.

Courses Offered

The college is affiliated to the Guru Nanak Dev University, Amritsar. It offers the following courses of study in different faculties.

Faculty of Arts

B.A. Part I / II / III

Future Prospects : This three year programme familiarizes students with the intricacies and use of language in both formal and casual situations. Students gain knowledge in the literature, political, economic, historical, and psychological aspects of many situations through class room studies and social interaction. This programme allows students to select their own topic of interest among various subjects available. After completing the degree, students can appear in competitive examination or go for postgraduation in the any of the subjects studied in the programme.

Eligibility : A student who has passed +2 examination of PSEB/CBSE or any other equivalent examination, is eligible to join B.A. part - I.

Provisional Admission in B.A.-Sem-I :- A student having compartment in +2 examination, shall be admitted provisionally for B.A. 1st year. If he/she fails to clear the compartment till Dec. 2023 his/her candidature stands automatically cancelled and he/she shall have no claim whatsoever against college or university.

Subject combination for B.A. Part - I

Compulsory subjects :

1. General English
2. General Punjabi / Punjabi (Basic)

Elective Subjects : Any three choosing one each from the following groups :-

1. English/Hindi/Punjabi/Sanskrit (Elective)
2. Economics/Sociology
3. History/Mathematics
4. Computer Science/Physical Education
5. Political Science/Philosophy

B.A. Part - II, III

Eligibility : A student is eligible to join B.A. II/III if he/she has passed B.A I/II examination of GNDU respectively in same subject.

Faculty of Science

1) B.Sc. (Medical, Non-Medical) Part - I/ II / III

Future Prospects : A student after passing B.Sc. (Medical/Non-Medical) can do post-graduation in following streams :

- i) M.Sc. Chemistry/Physics/Math (For non-medical students).
- ii) M.Sc. Chemistry / Botany / Zoology / Biochemistry / Microbiology/ Genetics (for medical students)
- iii) M.C.A., M.B.A. (for non-medical Students)

After PG Course, the doors are open for research in physical, chemical and life sciences which has vast scope at University level and multinational companies. In addition, they can also do B.Ed.. They are also eligible for IAS, IPS, Central/ State allied services and Banking with a bright future ahead.

B.Sc. (Medical / Non-Medical) Part - I

Eligibility : A student who has passed +2 examination of PSEB/CBSE or any other equivalent examination with atleast 40% marks in science group is eligible to join B.Sc. - I (Med. / Non-Medical)

Compulsory subjects :
1. General English
2. General Punjabi

Elective Subjects :

B.Sc. (Non-Medical) - Chemistry, Physics, Mathematics

B.Sc. (Medical) - Chemistry, Botany, Zoology

B.Sc. Part - II/III (Medical / Non-Medical)

Eligibility : A student is eligible to join B.Sc. II/III if he/she has passed B.Sc. I/II exams respectively with same subjects.

Note : The students are advised to wear labcoats while working in laboratory in a college

2) B.Sc. (Computer Science) Part - I / II / III

Future Prospects : B.Sc. (Computer Science) is a three year degree program in computer science. The program covers the fundamentals of computer science along with stress on physics and mathematics. On completion of this course students can undertake further studies in M.Sc. (Maths), M.Sc. (Physics), M.Sc. (C.S.), M.Sc. (IT) etc. The program also provides a very good placement opportunity to the students in various sectors.

B.Sc. (Comp. Sc.) Part - I

Eligibility : A student who has passed +2 (Non-medical) from PSEB/CBSE or any other equivalent examination with atleast 40% marks. He/she shall study the following subjects :-

- General English
- General Punjabi
- Computer Science
- Physics
- Mathematics

B.Sc. (Computer Science) Part II/III :

Eligibility : A student who has passed B.Sc. I/II is eligible to join B.Sc. II/III respectively with same subject.

3) B.Sc. (Economics) Part - I, II, III

Future Prospects : A student after passing B.Sc. (Eco.) can also join PG course like M.Sc. (Eco.), M.C.A./M.B.A./M.Sc. (IT)/ M.A.(Eco.) A student of economics has good job prospects in banks, IT, marketing, Finance, BPO's, management, civil and Indian Economic Services.

B.Sc. (Eco.) Part - I

Eligibility : A student who has passed +2 examination of PSEB/CBSE or any other equivalent examination in any stream with atleast 40% marks is eligible to join B.Sc. (Eco.) Part-I. He/She shall study following subjects :

- General English
- General Punjabi
- Economics
- Computer Science
- Mathematics

Courses Offered

B.Sc. (Eco.) Part - II / III

Eligibility : A student who has passed B.Sc. (Eco.) I/ II, is eligible to join B.Sc. (Eco.) II / III respectively with same subjects.

4) M.Sc. (Mathematics)

Future Prospects :- This Post Graduate Program has been designed to produce professionals in Mathematics. After this Course Students can look for range of jobs in insurance companies, private & government banks, and the software companies etc. Students can even go for teaching in reputed institutes.

Eligibility : B.A./ B.Sc. with honours in Mathematics / Statistics/ Operational Research.

Or

B.A./ B.Sc. with 50 % Marks in aggregate and having mathematics as one of subjects.

Or

B.Sc. (Hons. School in Physics), B.Sc. (Engg.) with 50% marks in aggregate having mathematics as one of the subsidiary subjects.

Or

B.A./B.Sc. in full subjects obtaining 45% marks in Mathematics.

Or

Master's Degree of this University in another subject of another faculty.

Or

Master's Degree in any subject from another University.

Faculty of Computer Science

1) B.C.A. Part I/II/III

Future Prospects : B.C.A. is an ideal course for IT savvy students. B.C.A. is a full time three year program in computer applications. The program covers the details of computer applications.

On completion of this programme, a student can undertake further studies in M.C.A., M.B.A., M.Sc. (IT), M.Sc. (C.S.) etc. Students can undertake live projects from industry, so as to enable them to develop capabilities to solve real life problems. Being a professional job oriented course, the students can have a lot of placements in the IT sector, Banking sector, B.P.O. sector, call centres etc.

B.C.A. Part I

Eligibility : A student who has passed +2 of PSEB/CBSE or any other equivalent examination in any stream with atleast 40% marks is eligible to join B.C.A. Part - I. A student will study following papers :-

SEMESTER - I

Paper No.	Subject
I	Introduction to Programming-C
II	Introduction to Computers & Information Technology
III	Applied and Discrete Mathematics
IV	Practical-I (MS Office 2010 and Basic C Programming)
V	Communication Skills in English-I
VI	Punjabi (Compulsory)/ਮੁੱਢਲੀ ਪੰਜਾਬੀ/ ** Punjab History and Culture (From Earliest Times to C320)

VII * Drug Abuse :- Problem, Management and Prevention (Compulsory Paper)

Note: * Marks of this paper will not be included in the total marks.
**(Spacial paper in lieu of Punjabi Compulsory)
(For those students who are not domicile of Punjab)

B.C.A. Part - II/Part III

Eligibility : As student who has passed B.C.A. Part-I/Part-II is eligible to join B.C.A. Part-II/Part-III. Syllabi will be notified later on.

2) B.Sc. (Information Technology) Part - I

Eligibility : Admission to Bachelor of Information Technology, course shall be open to a candidate who has passed 10+2 examination with 40% marks in aggregate from Punjab School Education Board or equivalent.

Student shall study following subjects :

Semester - I

Paper No.	Subject
I	General English
II	General Punjabi
III	Fundamentals of Computers
IV	C Programming Part - I
V	Basic Mathematics & Statistics
VI	Practical - PC Computing & C Language-I

B.Sc. (Information Technology) Part - II/Part III

Eligibility : A student who has passed B.Sc.(IT) Part-I/Part-II is eligible to join B.Sc.(IT) Part-II/Part-III.

Syllabi will be notified later on.

3) D.C.A. (Diploma in Computer Application)

It has been designed for students who want to improve their knowledge in the computer applications. This program imparts specialization in the fields like Basics Computer Skills, MS Office Applications, ERP Basics, Internet Basics, E-Business, PC Assembly and Troubleshooting and Software Engineering. A computer diploma courses are still in very high demand.

Eligibility : 10+2 in any stream with 40% marks.

Semester - 1

Paper No.	Subject
I	information Technology and operating System Theory
II	PC Computing-I

4) P.G.D.C.A.

(Post Graduate Diploma In Computer Application)

Future Prospects : P.G.D.C.A. is a one year full time diploma in computer applications. The objective of this programme is to develop programmers and analysts to meet the manpower requirements of fast developing software industry. The programme is designed to enrich the programming and analysis ability of students. After completing P.G.D.C.A. students can also go for higher education in M.C.A., M.Sc.(IT). This programme also opens a lot of self employment opportunity for the students. After the course, students can join I.T. industry or they can start their own

Courses Offered

Eligibility : Graduation in any stream with 45% marks. A student shall study following subjects :

Paper No. Subject

Sem-1

I	PC-Computing I (MS Office)
II	PC-Computing II
III	Introduction to Scripting
IV	Language web designing and use of Internet

Sem-2

V	Network concept and Management
VI	Programming in C
VII	Fundamentals of Computer and Operating System
VIII	Optional - Visual Basic Programming with Active X.

5) M.Sc. (Information Technology)

Future Prospects : This post graduate program has been designed for the students, who wish to build a professional career in information technology. The course aims to produce software developers to meet the ever changing requirements of the global IT industry. M.Sc. (IT) students are well placed in the IT industry and are also getting big packages. After this programme the students can also opt. for higher education such as M.C.A., M.Tech (C.S.) etc. After M.Sc. (IT) students can even go for teaching in some good reputed institutes.

Eligibility : Graduate with Computer Science / I.T. /Computer application / Computer maintenance as one of elective subjects with 50% marks in aggregate.

OR

B.C.A. / B.Sc. (I.T.) / BIT or Equivalent with 50% marks in aggregate.

OR

Graduate with mathematics as an elective subject and Post-graduate Diploma in Computer Application / PG Diploma in information Technology / PG Diploma in E-Commerce & Internet application or equivalent course with 50% marks in the aggregate. Syllabi of M.Sc. (I.T.) and M.Sc. (Computer Science) will be notified later on.

Faculty of Commerce

1) B.Com. Part I / II / III

Future Prospects :- Bachelor of Commerce Students can look for lucrative job prospects especially in the accounting profile. They can also opt for professional courses like CA, CS, Cost and work Accountancy, Master Degree, B Ed, LLB etc. It provides knowledge and skills for accounts, taxation, business laws and business management that is crucial for starting and running business.

Eligibility : A student who has passed +2 examination of P.S.E.B. or any other equivalent examination in any stream with atleast 40% marks is eligible to join B.Com-I. He/she shall study following subjects :

Semester - I

Paper No	Subject
1.	General English
2.	General Punjabi/Basic Punjabi

3. Financial Accounting
4. Business Organisation
5. Business Communication
6. Business Statistics
7. Computer Fundamentals

B.Com. Part II /Part III : A student who has passed B.Com. Part-I/Part-II is eligible to join B.Com Part-II and Part-III. Syllabi will be notified later on.

2) B.B.A. (Bachelor of Business Administration) Part - I/II/III :-

Future Prospects : B.B.A. is another very important professional course in commerce stream. It provides knowledge and skills for business administrations. B.B.A. is also usefull for the students aspiring to do M.B.A. and establish themselves as managers.

Eligibility : A student who has passed +2 examination of P.S.E.B. or any other equivalent examination in any stream with 40% marks in aggregate is eligible to join B.B.A.-I. He/she shall study following subjects :

Semester - I

Paper No.	Paper Name
BBA 101	General English
BBA 102	General Punjabi / Basic Punjabi
BBA 103	Basic Accounting
BBA 104	Business Organisation and Systems
BBA 105	Managerial Economics - I
BBA 106	Computer Application for Business-I
BBA 107	Business Communication

B.B.A. Part - II/Part-III :

Eligibility : A student who has passed B.B.A. Part-I/Part-II is eligible to join B.B.A. Part - II/Part-III. Syllabi will be notified later on.

3) M. Com. Part I/II

Future Prospects : M.Com or Master of Commerce is a Post graduate 2 year degree Course that focuses on methodical learning of the concepts of Accountancy, Statistics, Finance, Taxation, Management Studies etc.

M.Com degree serves as a foundation for further advanced studies and research in this area such as M. Phil. and Ph.D in commerce.

Master of Commerce also opens scope for a wide range of Careers dealing with flow of money, from Accountant to investment banker, Money manager to personal Finance Consultant.

A M.Com. student may also go for UGC-NET or JRF Examination to pursue Careers in Teaching or research.

Eligibility : B.Com./BBA/B.CAM/Bachelor of E-Commerce with 50% in aggregate or equivalent Examination. Syllabi of M.Com will be notified later on.

COLLEGE ACTIVITIES IN LIME LIGHT

After testing times of COVID, College organized its Convocation to award degrees to successful candidates on 2nd April, 2022. S. Partap Singh Bajwa (MLA) was the Chief Guest on this occasion with Sh. B. K. Mittal (Secretary, DAVCMC, New Delhi) and Sh. Shakti Khullar (Founder Member of the College) as Guests of Honour. 496 students from Faculty of Commerce, Computer Sc. & IT, Sciences, and Arts were awarded degrees.

**Glimpses from College Convocation
2nd April 2022**

SPORTS DAY

Intramurals allow students to develop and fine-tune various skills with coordination, movement, strength, and speed. These also provide healthy outlets for energy and instill discipline among students. College organised O.P. Marwaha Intramural Sports Tournament on 25th & 26th March 2022. Students had shown great enthusiasm to participate in various events like, Table tennis, Badminton, Chess, Volley-ball and others. Sh. Ashwani Marwaha (Member, LMC) graced the occasion and distributed prizes to all the winners.

ALUMNI & GOLDEN JUBILEE MEET

We can never forget our school / college where we have spent our Golden years acquiring knowledge and expertise. It is always our wish to cherish the old memories of our student life. Being the Golden Jubilee year, College organized its Alumni & Golden Jubilee Meet on 05-03-2022 to give an opportunity to our alumni to visit their Alma Mater. Dr. Varinder Bhatia (Vice-Chairman, PSEB, Mohali) graced the occasion as Chief Guest. Eminent personalities from different walks of life attended the meet as Alumni.

FACULTY OF COMPUTER SCIENCE & IT

The most important aspect of computer science is problem solving which is also a very important skill in day to day life. Also, technology is evolving at a very faster pace, hence, to polish the IT skills of the students and to make them future ready for the IT industry and life, PG Department of Computer Science and IT organized various events in session 2021-22 under the aegis of Tech-Miller Forum and DAV IT'ians Gen-Next Society, like, IT Poster Making Competition, IT Paper Presentation Competition, Digital C/C++ Coding Probe, Aptitude and IT Mock Test, IT Quiz and Cultural Fest and a One Day Trip to Mukteshwar Dham, Gurudwara Barth Sahib and Mini Goa.

FACULTY OF COMMERCE & MANAGEMENT

Education in Commerce and Business Administration is important and valuable in the sense that here are many career opportunities for commerce students. They can start their own business or serve as managers in the organizations. They can serve as accountants, auditors, bankers, insurance agents, advertisers, and marketers. PG Department of Commerce and Management provides opportunities to students under aegis of “Business Club” to learn entrepreneurial, communication and competitive skills by organizing various events like Poster Making, Business Quiz Competition, Poetry and Singing, Celebration of Birthdays of National Heroes. Here are glimpses from the activities organized.

FACULTY OF SCIENCES

The Faculty of Sciences organized various activities like Screening of Documentary movie on Desert Seas, Celebration of National Science Day among others including Inter-School Quiz Competition, Seminar on Green Chemistry under aegis of C.V. Raman Physics Society, Elite Chemical Society and Society of Biological Sciences

FACULTY OF ARTS

The Faculty of Arts organized various events like Book Exhibition, Declamation Contest, Hindi Divas Celebrations, Women's Day celebration etc. Educational & Historical trip has been organized by Faculty of Arts. Punjabi Sahit Sabha, Maha Kavi Kalidas Sahitya Sabha, Maharaja Ranjit Singh History Society, the Economics society, R.K. Narayan English Literary Society and Language Development Council also made their contributions.

NATIONAL CADET CORPS (NCC)

The college has an authorized strength of 53 Cadets (Boys and Girls) working under the guidance of Captain Munish Yadav. Cadets go through the training course to attain B certificate after 2 years and C certificate after 3 years of training. Cadets attend various types of Camps like Annual Training Camp, Basic Leadership Camp, Thal Sena Leadership Camp, National Integration Camp, Adventure Training Camp etc.

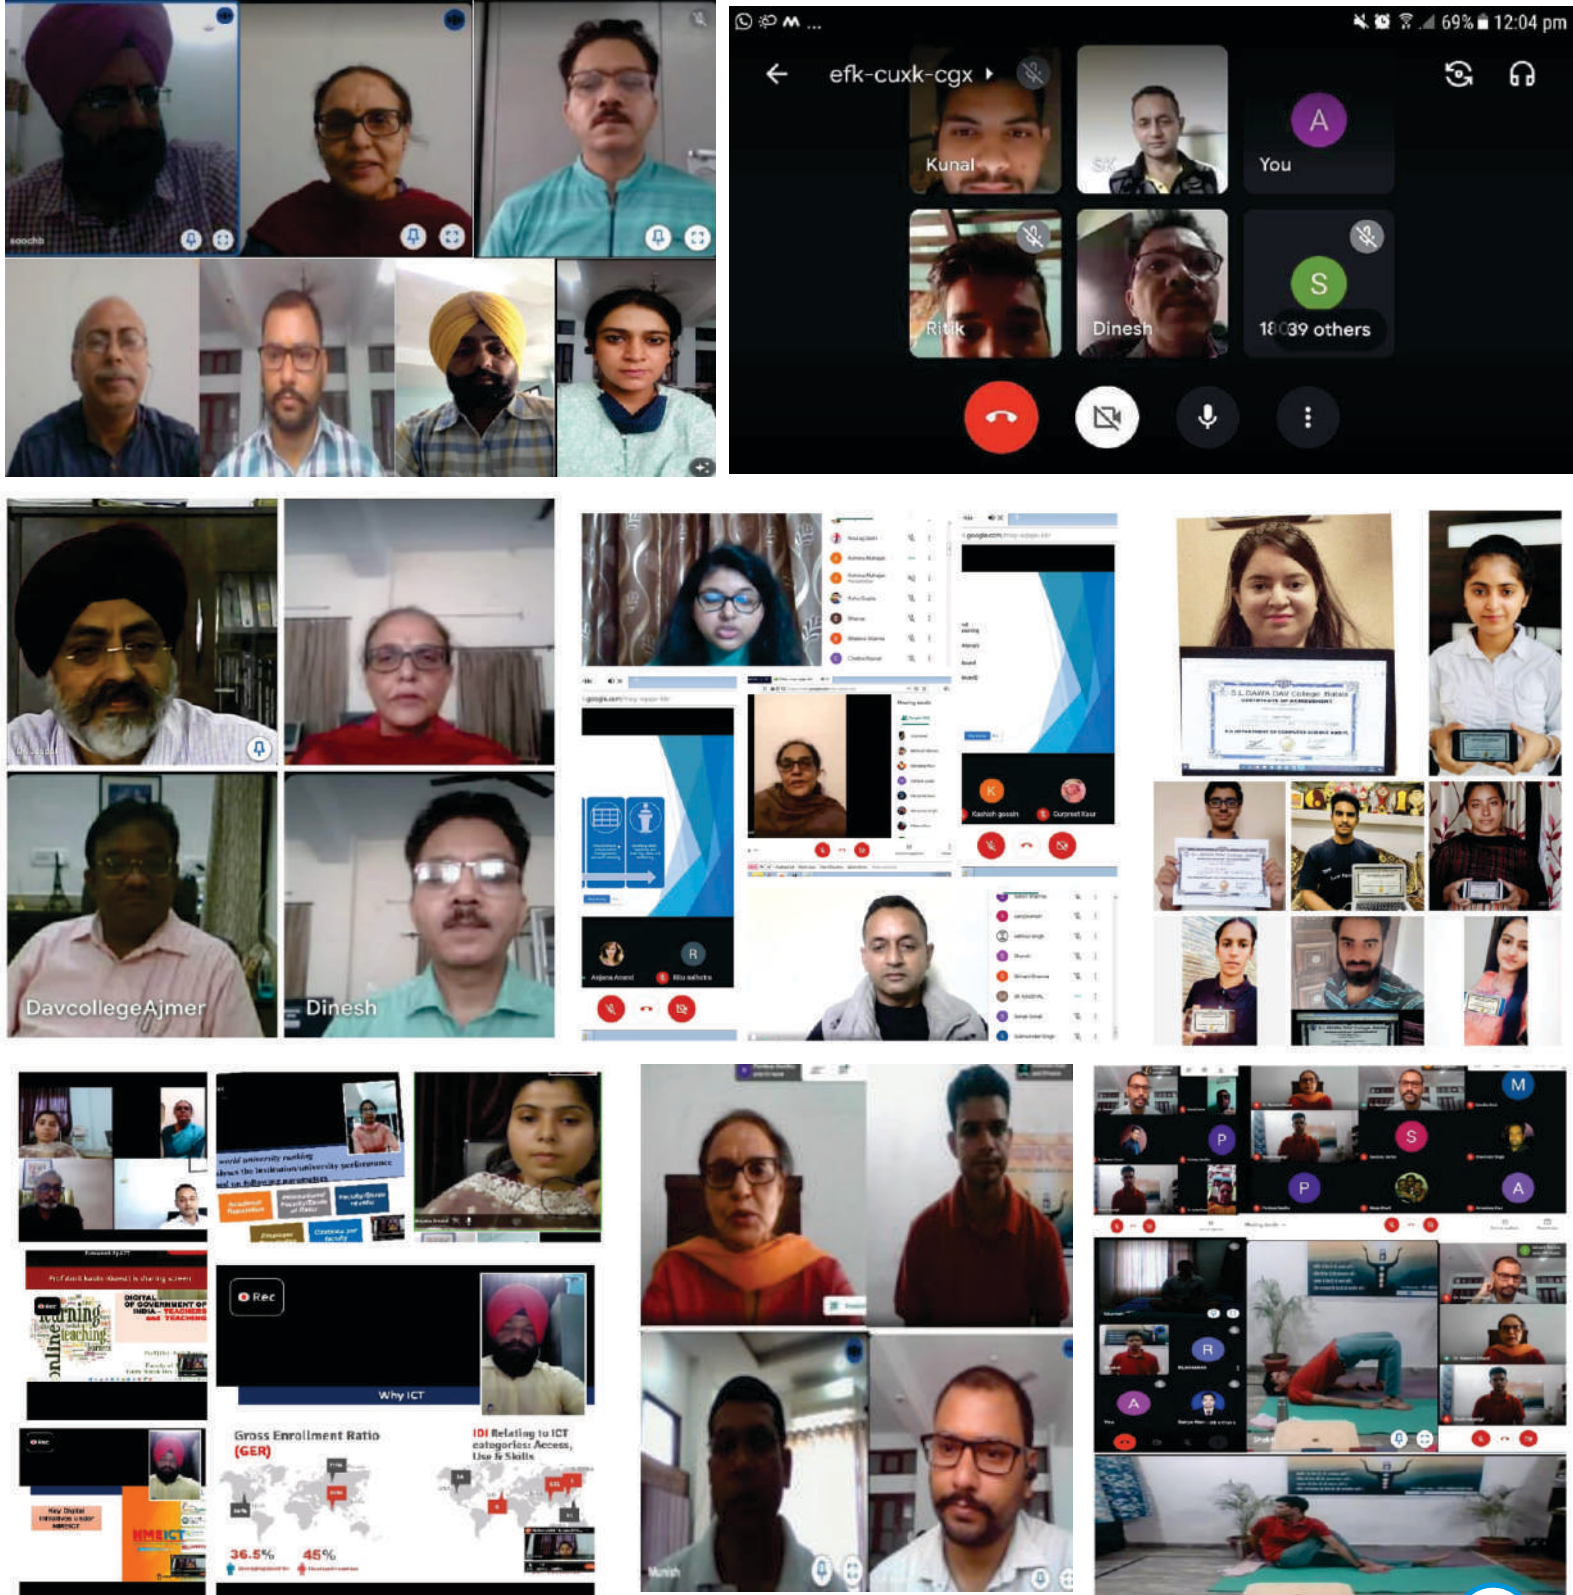

NATIONAL SERVICE SCHEME (NSS)

The main aim of NSS activities is to build sense of participation among students towards social work. NSS volunteers work with villages, slums and voluntary agencies. These activities help in propagation of message of health, education, hygiene among the local community. During this academic year, NSS volunteers attended 7-days NSS camp at village ALLOWAL and Celebrated Women Day among other activities.

ONLINE ACTIVITIES OF COLLEGE

Covid-19 has made the blended mode of learning as need of the hour. Hence, during this academic session also, in addition to off-line events, a number of departments in college organized various academic activities in the online mode , like FDP on Digital Initiatives of Govt. of India and MOOC Pedagogy, Webinar on Entrepreneurial Skills, Intellectual Property Rights, Research Methodology, Philosophy of Yoga and Common Yoga Protocol Demonstrations, Digital C/C++ Coding Probe, Webinar on ICT Skills etc.

OTHER COLLEGE ACTIVITIES

The College organized various other events like Blood Donation Camp, Hawan Yajna on occasion of Rishi Bodh Utsav, National Voters Day, Guest lecture by Principal Nirmal Pandhi Ji and Talent Hunt for various activities like Giddha, Bhangra, Phulkari, Mehndi, Rangoli, Poster Making etc.

Major Amit Sareen, PCS

(B.Com., MBA, LLB, M.A Pub. Admin) Operation Vijay & Operation Meghdoot Veteran, ADC (G) Jalandhar

It gives me immense pleasure & pride to write for the college Prospectus. I graduated in the year 1995 in commerce stream with first class degree, received NCC C Certificate and was awarded college color for NCC. Prof BM Dogra had been a great guiding force in all these years who inspired me to become army officer. Later Prof Dinesh who had been friend to me, motivated me to aspire to serve the district as Deputy Commissioner and prepare for civil services. Consequently, I joined Punjab Civil services in the year 2012. The professors of my beloved college have played a very pivotal role in shaping up my overall personality. Whatever I have achieved today, it's all because of the valuable guidance of our learned professor's viz. Dr. B.M. Dogra, Dr. Dinesh and Dr. Mridula Duggal. Friends, college days are the most relevant time of your life, don't let it go unplanned. Fix your goal, seek timely guidance, work hard in a planned manner towards you goal, stay focused, value the time, spend sufficient time in the library and respect your teachers. I wish you all a life full of success and prosperity where you add value to people's life and bring laurels to our beloved college.

Kanwaljeet Kaur

BCA (2009-12 Batch) Technical Test Lead, Infosys

At the very outset, I would like to express my heartiest thanks to S.L. Bawa D.A.V college family. I extend my warm regards to Sanjeev Kaushal Sir and Computer Science department (2009-2012 batch), who has great knowledge of programming and immensely helped me succeed, so I pursued my further study MCA. S.L. Bawa DAV College, Batala has wonderful faculty as they are very co-operative. College provided us with well equipped labs and library, wonderful environment and opportunity to learn and grow academically. Currently, I am designated as "Technical Test Lead" in Infosys Pvt Ltd. My roles and responsibilities to manage team and work on automation testing using UFT, Selenium, Java, Vb scripting and Python. The knowledge and transformation I had with this college is the reason I find myself successful today Thanks.

Paras Abrol

Director, Abrol Associates, Australia

I am deeply indebted to SL Bawa DAV College, where I completed my Bachelor of Commerce in 2000. At the college, I enjoyed learning from lecturers with a high level of experience and commercial acumen. The classes, taught by a deep and accomplished roster of full-time professors, focused on theory and practice. Despite several years passing, the different study modes and quality subject matter remain highly relevant to today's competitive business landscape. The guidance from my teachers enhanced my skills and knowledge in business and people management, which helped me think more broadly and strategically. Finally, a special mention to the fantastic support staff, who were always there to help. Best regards

Harwinder Kaur

**BCA(2012-2015 Batch), M.Sc(Information Technology) (2015-2017 Batch)
Production Services IT Analyst, Laurentian Bank of Canada**

Thank you SL Bawa DAV College faculty and support staff for giving me this opportunity to write up my mind. I've always been surrounded by many great professors during my college time, which put their hard work and time so that I can grow. There is no doubt, I did grow and got opportunity to serve Ontario Government Canada as IT analyst and I was also approached by Goggle recruiters. Currently, I am working with Laurentian Bank of Canada as Production Services Analyst. Last but not the least, I would like to express my deep sense of gratitude to Sanjeev Kaushal Head of PG Department of Computer Science and IT, who have been very helpful all the time and always shared his problem solving skills. At a time of great need, he has stepped forward with flexibility, resiliency and resolve. I wish all of our faculty and staff a wonderful future.
