Expert Lecture on "E-Content Development for Blended Learning"

Organized by

SL Bawa DAV College Batala

Under the patronage of Principal Dr Dinesh Kumar, SL Bawa DAV College Batala organized an Expert lecture on **"E-Content Development for Blended Learning"** on 20 October 2022**.** Speaking on the occasion Principal Dr Dinesh said that twenty first century students learn in a global classroom and not necessarily within four walls. So faculty of the colleges needs to get them updated for this purpose.

Prof SK Kaushal Associate Prof & Head PG Department of Computer Science & IT was the resource person of the day. Interacting with the faculty members of the various departments of the college Prof SK Kaushal said that now the traditional class room teaching is converging with the E-Learning using ICT tools to form a new type of teaching learning process called as Blended Learning and the future lies with the Blended Learning.

Prof SK Kaushal discussed with the audience the meaning and standards of E-Content development. He explained various techniques for the design, development and implementation of E-Resources. He stressed that it can make the learning more effective and interesting for the students.
